### Instructions

To start, just hit the 'New Game' button, then drag your mouse over the grid to select a word. Once found, words will remain circled.

If you get stuck, hit 'Solve Game' but watch out, it tells that you've cheated!

All words may not be used in the online version of the wordsearch. When you click on "New Game" or reload the page, the puzzle is recreated. Sometimes, the puzzle can not fit all the words.
